

# Current Funding Opportunities

May 18, 2017

---

## **Reconstructive Transplant Research Program (RTRP)**

Descriptions of each of the funding opportunities, eligibility, key mechanism elements, and funding can be found in the pre-announcement. The FY17 pre-announcement can be found in the CDMRP home page features at <http://cdmrp.army.mil>.

The FY17 Defense Appropriations Act provides \$12 million (M) to the Department of Defense RTRP to support research of exceptional scientific merit that has the potential to make important contributions to reconstructive transplant research, patient care, and/or quality of life.

Subsequent notifications will be sent when the program announcements/funding opportunities are released. The pre-announcement should not be construed as an obligation by the Government.

Please do not respond directly to this message. To be added or removed from this email list please use the "Subscribe/unsubscribe" to program specific news and updates at <https://ebrap.org>.
