ADVANCES IN
Sleep & Circadian
SCIENCE

February 1st - 4th, 2019

Clearwater, Florida | Sheraton Sand Key Resort

2019

SPONSORSHIP OPPORTUNITIES

The Advances in Sleep & Circadian Science meeting is a single track event integrating sleep and circadian science, cutting-edge discussions, interdisciplinary cross-talks, and abundant networking opportunities for everyone from trainees to established researchers.

- Engage with up to 250 international sleep and circadian researchers
- 3-day event features innovative content from subject matter experts across numerous specialties within the sleep and circadian sciences

As a sponsor, your brand will be highlighted among all attendees leading up to the meeting, during the meeting, and following the meeting through a comprehensive recognition program. All sponsors will receive value-added recognition in addition to their selected sponsorships.

Each sponsor's level will be determined by the sum of the individual values of the Sponsor-Specific Opportunities. The Sleep Research Society looks forward to developing a tailored sponsorship package that meets your unique needs.

The Sleep Research Society (SRS) was established in 1961 by pioneers in sleep research, a group of investigators who shared a common goal – to advance sleep and circadian science. The SRS has since grown into a professional society of 1,300 researchers worldwide, from promising trainees to accomplished senior-level investigators. The Society promotes training and education in sleep research, public awareness and evidence-based policy.
