

2020 SRS Board of Directors Candidate

Marcos Frank, PhD

I have been recently nominated to serve on the SRS 2020 Board of Directors. I would be honored to serve in this capacity. I have been working the field of sleep biology and neuroscience for over 25 years. I have served in leadership roles at SRS and chaired sessions and symposia in sleep both nationally and internationally. I believe this, among my other qualifications, makes me a strong candidate for this service.
